ROME, ITALY: Dr. Karpyn presented at the International Symposium on Sustainable Food Systems for Healthy Diets and Improved Nutrition. Her presentation, *The Grocery Gap: Food Retail Outlets Mapping and Reorganization for Promoting Healthy Diets*, includes research from the Pennsylvania Fresh Food Financing Initiative. The symposium is part of the UN Decade of Action on Nutrition (2016-2025).

BAHAMAS: Dr. Karpyn was awarded a Fulbright Scholarship to research food insecurity and local food production in Bahamas. Her research will support the Bahamas’ goals of addressing continuing food insecurity, malnutrition, hunger, natural resource management and climate change challenges. The research will be done in collaboration with Dr. Erecia Hepburn of the College of the Bahamas.
