NOTES

- You must earn a C or better for a course to transfer.
- You must have 90 of your first 100 credits or 30 of your last 36 at UD.
- The credits will transfer but the grade will not be factored into your GPA.

THE PROCEDURE

This Guide will provide quick links but you should also consult an Advisor and the UD Registrar policies.

- Your courses go through a preliminary evaluation and are assigned a UD course number (if they are already on the Transfer Credit Matrix) or a Transfer Elective designation (166, 266 etc) if they are not yet on the Matrix.
- Once you are a matriculated student, you can seek re-evaluation for courses with Transfer Elective designation by emailing a specific request to the departmental contact on the Registrar's page.
- You may be asked to provide a copy of a course syllabus if more information is needed.
