

THE HDFS ADVISEMENT CENTER GUIDE TO *transferring credits*

for current UD students
taking a course at another
institution

THE PROCEDURE

This Guide will provide quick links but you should also consult an Advisor and the UD Registrar policies.

- Look at the Transfer Credit Matrix to see if the course has already been approved for transfer and if so, submit the Transfer Credit Evaluation Form, take the class, and have a transcript sent to UD when the class is over. If the course is not on the matrix, contact the respective academic unit and seek approval (see the Registrar's page).
- You must earn a C or better for a course to transfer.
- You must have 90 of your first 100 credits or 30 of your last 36 at UD.
- The credits will transfer but the grade will not be factored into your GPA.
