		___(3) _____	
		___(3) _____	
		___(3) _____	
		___(3) _____	
		___(3) _____	
		___(3) _____	

**NOTES:** This is only a planning guide. Please refer to your course catalog for official requirements. An effort should be made to schedule courses in the year indicated, although some adjustments may be necessary as not every course is offered every semester. A grade of C- or better is required for all University Breadth requirement courses, all required HDFS courses and Developmental, At Risk, and Restricted Electives.

- a. Statistics options: MATH 201, MATH 205, STAT 200, PSYC 209 (Psychology majors/minors only)
- b. May meet University Creative Arts and Humanities Breadth Requirement (see catalog for all English courses that meet this requirement)
- c. Meets University Creative Arts and Humanities Breadth Requirement
- d. Foreign Language does not fulfill the Creative Arts/Humanities requirement. If the English requirement does not fulfill the University Creative Arts/Humanities requirement, this course should be used to fulfill that requirement.

- ❖ HDFS Developmental Electives: HDFS 220, 221, 329, 339, 349 (or SOCI 349), 405, or 427. HDFS 220 and 221 require criminal background and TB clearances the semester prior to the course term.
- ❖ HDFS At Risk Electives: HDFS 270, 331, 403, 408, 410, or 472.

\* HDFS 350 is listed as a requirement in the UD catalog but the course is no longer offered; advisors will need to waive the requirement on degree audits.

\*\* Students should select an "Area of Interest" in conjunction with an academic advisor by the time they have completed HDFS 235. See advisor for details and required form. Twelve (12) credits of restricted electives are required for an "Area of Interest." These may be selected from within and outside of the College of Education and Human Development. Developmental Electives must be related to area of interest.

### Human Services: Community Education Concentration

See the course catalog for a full listing of pre-requisites and course restrictions.

<u>Course</u>	<u>Course Prerequisite(s)</u>
HDFS 201	No prerequisite
