2023 Winter Barbados Service-Learning Study Abroad Program

Faculty Co-Directors:

Dr. Norma Gaines-Hanks, ngaines@udel.edu

Associate Professor (retired)
Human Development and Family Sciences

Dr. Francis A. Kwansa, kwansa@udel.edu

Associate Professor
Hospitality and Sports Business Management

Program Overview

The Barbados service-learning study abroad program focuses on exposing students to Barbados' rich culture through service-learning placements, cultural excursions, and many opportunities to interact with locals to learn about and better understand this land, sea, and food culture.

Tentatively scheduled for January 3 – February 2, 2023, the Barbados program is open to all UD undergraduates, regardless of their major. Attendance at one Zoom interest meeting is required for any potential participant. These one-hour sessions will offer an overview of Barbados, discuss the program components and expectations, as well as provide students with the opportunity to ask any questions.

For More Information
