**Dr. Norma Gaines-Hanks**, [ngaines@udel.edu](mailto:ngaines@udel.edu)

Associate Professor Emerita  
Department of Human Development and  
Family Sciences

**Dr. Francis A. Kwansa**, [kwansa@udel.edu](mailto:kwansa@udel.edu)

Associate Professor  
Hospitality and Sports Business Management

### Program Overview

---

The Barbados service-learning study abroad program focuses on exposing students to Barbados' rich culture through service-learning placements, cultural excursions, and many opportunities to interact with locals to learn about and better understand its land, sea, and food culture.

Tentatively scheduled for January 3 – February 2, 2024, the Barbados program is open to all UD undergraduates, regardless of their major. **HOSP/CBE students can satisfy their Multicultural Requirement by taking HOSP 316: Intercultural Management and Business Etiquette**

Attendance at one Zoom interest meeting is required for any potential participant. These one-hour sessions will offer an overview of Barbados, discuss the program components and expectations, as well as provide students with the opportunity to ask any questions.

### Scheduled Information Sessions
